as well as dysfunction That is, while the ultimate goal of Jung the doctor was helping his patients to achieve that sense of self-actualization, his writing focused quite a bit on instances where such actualization could not/would not occur, and why This allows for a very postmodern

### **Jung, Alchemy and the Technique of Active Imagination**

Jung, Alchemy and Active Imagination In Part Three of this series of articles on 'Alchemy and the Imagination' we look at the influence of Alchemical ways of thinking on one of the twentieth century's most innovative psychologists, Carl Jung

### **Introducing Counselling and Therapy Approaches**

The postmodern therapies adopt a social constructionist viewpoint, assuming that how people process and construct information about themselves and their world is central to their existence Rather than conceptualizing progress as a departure from Carl Jung (1875-1961)

### **Post-Jungian Criticism**

Following trends in postmodern thought, Jungian literary criticism has given increasing attention to the convergence between the psychological and the cultural Applying Jung's concepts of individuation, anima, animus, and shadow, I wish to explore such a convergence in one of the most popular novels of Victorian England, Wilkie Collins's The

### **Reviews Books - JSTOR**

Jung's psychology, unlike Freud's, is not a product of modernity and cannot be read that way Hauke's work on this front is bold, creative and deeply informed by his own wrestling with the postmodern It will be difficult to read Jung as anything other than a postmodern psychologist after Hauke's work

### **Astrology in the field of psychology A study of Jung s ...**

Individuation is a concept Jung wrote extensively on This concept relates to the psychological process of transformation in becoming a mature self realized individual Jung considered individuation a psychological process that comes naturally, and it plays an integral part in his analytical psychology and its treatment method

**Postmodern Narrative in Kurt Vonnegut's Slaughterhouse-Five**

postmodern literature was a philosophical revival of modern literature in the first phases<sup>2</sup> Hence, an inclusive historical body of postmodern literature has been trying to establish a "narrative that purport[s] to recount universal history (parentheses mine)" (Vanhooser, 2003, p 11)

**Jung's Hermeneutics of Scripture**

Occasionally Jung himself resembles a prototype poststructuralist, of a sort, and there is certainly scope for postmodern readings of Jung, which would in turn have implications for a Jungian hermeneutic<sup>2</sup> It remains true, however, that Jung was basically a modernist in his culture and
